

## Gerlin HS-WB

Gerlin is everyman's friend. Therefore the Gerlin can be placed anywhere to add comfort and flair to a space. Conical compact legs and slightly curved seat and back elements form the basis for Gerlin's design. Gerlin is a design by Studio Sateliet. The collection leaves a dazzling amount of room for a personal touch in terms of frame finishes and upholstery.

Sateliet  
Originals      tailor-made
